

# Nature Scavenger Hunt

Let's go outside and find cool things in nature!

## ▶▶ Step 1. Get Your Bingo Card Ready:

1. **Let's Draw!** Draw pictures of these items:

Name	Picture	Name	Picture
Leaves		Rocks	
Flowers		Pinecones	

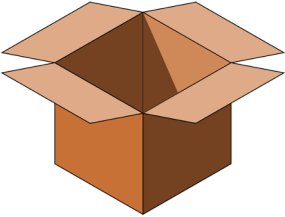

2. **What Else Can You Imagine?** What other nature items can you think of?  
Draw them here!

Name	Picture	Name	Picture
 _____ _____ _____		 _____ _____ _____	
 _____ _____ _____		 _____ _____ _____	

**Colorful Tip:** Use markers or colored pencils to make your list vibrant and fun!

## ►► Step 2. Let's Go on a Scavenger Hunt!

1. **Get Ready for Adventure!** Tick the box if you brought a box or bag. Draw what you brought if it's something different.

a box ☐

a bag ☐

    ☐

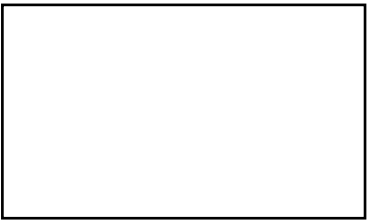

2. **Outdoor Fun Time!** Tick where you went: backyard, park, or draw/write your special spot.

a backyard ☐

a park ☐

    ☐

3. **Find Your Treasures!** Your mission: Find these items on your list! Check them off and collect each one in your treasure bag.

**Colorful Tip:** Look around carefully, nature hides its treasures in surprising places!

## ►► Step 3. Hunt Complete! Now Let's Chat

1. **List the Items You Find** Write down or draw pictures of the items you discover during your scavenger hunt. For example, leaves, rocks, flowers, pinecones.

2. **Explore** Explore each item you find. For each item, finish the following three tasks:
  - a. **Feel** Look at these pictures to help describe textures and shapes. What does each item feel like?
  - b. **Describe** Write one word to describe each object you found. For example, "green" or "pretty".
  - c. **Imagination!** Write or draw a short story about each item! Where did it come from? Who might have used it? Use your imagination and have fun!

Flower Fact: Flowers attract bees and butterflies with their bright colors and sweet smells. They're like nature's invitations to a party!
