

# Nature Sketch Adventure

**Objective:** Explore nature and sketch the items you find!

**Material:** sketchbook or paper, pencils, colored pencils, or markers

## ▶▶ Step 1. Create Your Sketchbook

1. **Create Your Sketchbook** Fold several sheets of paper together or use a sketchbook. This will be your nature sketchbook!

2. **Decorate it!** Decorate the cover of your nature sketchbook with drawings of your favorite nature items or use stickers to make it uniquely yours!

3. **Create Your Challenge List** Make a fun list of things to find in nature!

- Find three different leaf shapes. ☐
- Find two rocks with unique patterns. ☐
- \_\_\_\_\_ ☐
- \_\_\_\_\_ ☐

**Colorful Tip:** Use bright colors to make your sketches pop!

## ►► Step 2. Nature Hunt Time

1. **Nature Hunt Time!** Go outside! Explore your backyard, a nearby park, or a nature trail. As you explore, find interesting items in nature—leaves, flowers, rocks, insects, anything you like!

2. **Sketch Your Finds** Sketch the items in your nature sketchbook. Try to capture their shapes, textures, and colors as best as you can.

3. **Finish Your Challenge List** Go back to your challenge list. Once you finish one task on your list, tick it. See if you can tick all of your tasks!
4. **Add Colors** Challenge yourself to add color to your sketches! Use colored pencils or markers to make your drawings more vibrant and lifelike.
5. **Extensive Activity** Write a short story about your nature sketches. Where did you find them? What made each item special?

**Fun Fact:** Nature is full of surprises! Look carefully, you'll find interesting things.
